COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION  
TO BIG RIVERS ELECTRIC CORPORATION

Big Rivers Electric Corporation ("Big Rivers") is to file with the Commission the original and 10 copies of the following information, with a copy to all parties of record. The information requested herein is due on or before September 5, 2012. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Big Rivers shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Big Rivers fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Refer to the response to Item 3 from Commission Staff's Requests for Information from the Telephonic Informal Technical Conference of August 7, 2012 ("Commission Staff's IC Request"). Starting at line 15, page 1 of 3, it states, "[t]he information (for non-dedicated delivery point customers) included for Jackson Purchase Energy Corporation and Meade County Rural Electric Cooperative Corporation, in the attachment to Big Rivers' response to Item 2 of the Commission Staff's Initial Request for Information dated July 2, 2012 (Case No. 2012-00262), agrees to the information previously filed in Case No. 2010-00368."

a. Is the information in Case No. 2012-00262 for non-dedicated delivery point customers in the attachment to Big Rivers' response to Item 2 from Commission Staff's Initial Request for Information in agreement with the schedules filed November 10, 2010 or December 10, 2010 in Case No. 2010-00368?

b. Refer to the response to Commission Staff's IC Request, Item 3, page 3 of 3. It states, "[a]ttached as Exhibit E, is a revised non-dedicated delivery schedule for Case No. 2011-00085 reflecting the correction of the errors discussed

above.” How did Big Rivers determine that the amounts previously filed in Case No. 2011-00085 were incorrect?
